What Can I Say (James Pankow And David Foster)

Lonely nights; empty days, use me up so many ways.

You came along and stole my heart away.

I just wanna hold you darlin', tonight,

knowin' that the love between us is right.

I can't believe that you'd ever let me go; oh, no.

CHORUS:

What can I say? What can I do? I'm so in love with you.

Got to be strong; but, for how long must I have this feeling?

Won't go away.

Take me back to yesterday, I just wanna fade away

Closer to you than what we used to be.

Are we really gonna let it die? Close the book and give it one more try.

I can't believe that you'd ever let me go; oh, no.

CHORUS
