What Can I Say (James Pankow And David Foster)
Lonely nights; empty days, use me up so many ways.
You came along and stole my heart away.
I just wanna hold you darlin', tonight,
knowin' that the love between us is right.
I can't believe that you'd ever let me go; oh, no.

CHORUS:

What can I say? What can I do? I'm so in love with you. Got to be strong; but, for how long must I have this feeling? Won't go away.

Take me back to yesterday, I just wanna fade away Closer to you that what we used to be. Are we really gonna let it die? Close the book and give it one more try. I can't believe that you'd ever let me go; oh, no.

CHORUS
