

# Chief Keef, Anywhere

I go anywhere for some fees  
I go anywhere smoking trees  
I go anywhere with my G's  
G L O G A N G  
I go anywhere for some cheese  
I go anywhere we can meet  
I go everywhere with my heat  
I go everywhere with my P's

Look at my pieces  
The diamonds turn to pieces  
Its all up in my necklace  
I feel like I'm neckless  
Bitch I'm a genius  
I gotta thank Jesus  
Jesus  
When you getting money they hate you  
I don't give a fuck  
I still keep my pistol tucked  
I still let my pistol blow  
And I still hop in my truck

I go anywhere for some fees  
I go anywhere smoking trees  
I go anywhere with my G's  
G L O G A N G  
I go anywhere for some cheese  
I go anywhere we can meet  
I go everywhere with my heat  
I go everywhere with my P's

I'm off this dope I be fiending  
Go to sleep I be dreaming  
Of a hundred fucking bills  
Bills, hundred fucking mils  
I don't fuck with niggas  
But I be fucking these bitches  
I be riding in Bentleys  
That ain't shit to me  
I be fucking all the women  
Now that I get Benji's  
When I was broke  
I swear I think I was a joke

I go anywhere for some fees  
I go anywhere smoking trees  
I go anywhere with my G's  
G L O G A N G  
I go anywhere for some cheese  
I go anywhere we can meet  
I go everywhere with my heat  
I go everywhere with my P's
