

# Chief Keef, Cant Catch Em

Catch 'em, can't catch 'em  
Catch 'em, can't catch 'em  
Catch 'em, can't

Catch 'em, can't catch 'em  
If I stretched her, she ain't special  
It's endings to this shit with this.50, it ain't levels  
For the runners, and their medals  
Gold diggers, and their jewels  
I ain't ever going broke, bitch never, say never  
Catch 'em, can't catch 'em  
My car's too special  
My house too big  
So thots be stretchin  
And I live there by myself  
Me and a lot of weapons  
Money to buy whatever  
Surrounded by lots of protection

Nigga say he want it beef, it's like that  
I'm in a car driving fast, no license with the pipe and  
'Member I used to fuck around, had a white hand  
I got my money in this Louie Suitcase but its trifling  
Cause I done spilled codeine all over it  
And I was rolling weed all over it  
2004, LV's all over it  
I really don't fuck with G's if y'all ain't notice it

Catch 'em, can't catch 'em  
If I stretched her, she ain't special  
It's endings to this shit with this.50, it ain't levels  
For the runners, and their medals  
Gold diggers, and their jewels  
I ain't ever going broke, bitch never, say never  
Catch 'em, can't catch 'em  
My car's too special  
My house too big  
So thots keep stretchin  
And I live there by myself  
Me and a lot of weapons  
Money to buy whatever  
Surrounded by lots of protection
