

Chief Keef, F 'em

Fuck the judge, fuck a bitch
Fuck a nigga, cause he snitch
Nigga ain't got my money, fuck his shit
Heard this nigga mad I fucked his bitch
Fuck 'em

I made dough, went in the mall
And turned that shit to play dough
Fuck it, my shootas gon' come shoot when I say so
We got lawyers, they like "fuck it"
Hopped in the car, do da dash, pass the public
Like fuck it, cops get behind me
I'ma do the dash, engines bustin'
Fuck it, judge tried to give me time
I'm like "fuck it, fuck it"

I heard these niggas hatin', fuck it
I'ma keep on gettin' paper, fuck it
Just got some today like fuck it
Like fuck them, all the fuckas who never gave me nothin'
Fuck the cops, they don't want me to feed my baby nothin'
Fuck ya block, when we leave it they gon' tape it up
My watch fucked your thot, when she seen that she was
I'ma take this three pointer, you gon' lay it up
