

Chief Keef, Falling On The Floor

Pop tags, fuck hoes, rock shows
Dodging hoes and I'm dodging narcos
I'm in your city and I've got my pole
It's a 50 bitch call 5-0
Pint of the drink got me moving slow
All this fucking dope all this fucking smoke
I think that I'm Kobe how I'm balling on a hoe
Hit the court bitches falling on the floor

Slam dunk layup pull up three point what up
Boy you're such a woulda coulda shoulda
Pull up on you in a what the uh uh
Rolling up a egg roll do you want some?
Run down on you time to make you fumble
Let out ten shots and I made you stumble
Got that Rick Flair do you want to rumble?
I am Tarzan made it outta jungle
Now I'm feet up counting stupid paychecks
If you got a problem nigga say that
Sharper than an axe cleaner than AJAX
Be worried about how many shots this K got
