

Chief Keef, Fast N Furious

Paul Walker bitch, Fast N Furious
Ridin' real fast and I'm serious
Is ya getting money boy? I'm curious
All this money making me delirious
Paul Walker bitch, Fast N Furious
In a jet, bitch I am lerious
Shining bright bitch
My diamonds are the silliest
My bitches are the prettiest
My cars are hideous

Bitches look like monsters
Bitch them bitches look like Tonkas
I'm riding in a Tonka
Looking like I'm Yao
Yao Ming, bitch I'm with the Houston Rockets (aye)
And I got the rocket in my pocket
Best believe I will pop it (aye)
Best believe you'll get dropped and be rolling
Can't tell witcha breath nigga hold it
Hear the ambulance come
I hope they can save ya son (aye aye)
I hope they can save ya homeboy
