

Childhood, Solemn Skies

To hear my cry the

Just another day...

Take me higher

Above the water

Does reach you when i touch you that way

But I feel coming down

Oooh i touch

Oooh when i saw that skies

And i try so hard to fill that hole inside

Someone to see that skie

She comes by?

Solemn skies

Don?t know why

She gets by

Solemn skies

Don?t know why

When she try ?.
