

# Chimaira, Dead Inside (Demo)

I felt so alone  
I felt so alone  
I felt so alone  
I felt

You left feeling so empty and needing  
Can't see the glitter in you (Go away, go away)  
You called me all the time  
Hiding behind your lies  
Materialistic (Go away)

You don't know what it's like (To be) dead inside  
You don't know what it's like (To be) dead inside

You called him a friend to help you get through it  
I see your true face now (Go away, go away)  
Well my tears are gone, I am happy now  
Thanks for making it clear (Go away)

You don't know what it's like (To be) dead inside  
You don't know what it's like (To be) dead inside  
I am dead to you

You take my heart and used it as a tool  
I wish that this would just go away  
You can't find love  
You can't cry tears  
You won't be crying alone  
Dead inside, dead inside, dead inside, dead inside, dead inside, dead inside, dead inside

Who are you today...Another face erased  
Who are you today...Another face erased  
Who are you today?  
Who?  
Dead inside

You don't know what it's like (To be) dead inside  
You don't know what it's like (To be) dead inside

Your dead inside  
Dead inside  
Dead inside
