Chimaira, Fascination Street (The Cure Cover)

Oh it's opening time Down on Fascination Street So let's cut the conversation And get out for a bit 'Cause I feel it all fading and paling And I'm begging To drag you down with me To kick the last nail in Yeah! I like you in that Like I like you to scream But if you open your mouth Then I can't be responsible For quite what goes in Or to care what comes out So just pull on your hair Just pull on your pout

And let's move to the beat Like we know that it's over If you slip going under Slip over my shoulder Pull on your face Just pull on your feet And let's hit opening time Down on Fascination Street

So pull on your hair
Pull on your pout
Cut the conversation
Just open your mouth
Pull on your face
Pull on your feet
And let's hit opening time
Down on Fascination Street
