## Chimaira, Gag

After years of endless torture You try to come back Likeness of an unwanted child, grow Simplified case of defamation You left her bleeding Thrown out the window I tried to compete to be the good one I'll never understand (x3) What the f\*\*k did we ever do To make you hate Remaining scars of an unwanted child, lost Justified, inebriate Left me bleeding Thrown out the window I tried to compete to be the good one I'll never understand (x3) 20 years of mind rape brings forth my hate My hate derived from you, you mother f\*\*ker
