## Chimaira, Severed (Demo)

Stay awake to decide Are you coming back? Is this my sanity? I can't forgive

Oh is it the same to me? I can't take your place I'll never see you Never flee from me

(Fuck) Severed, Severed, Severed

Lost lies in the house I bring I can't fucking see I can never pull yourself from me I can't focus

Libertine my said to be I can never save you Wait

Severed, Severed, Severed Severed, Severed

(I can't take it You make me so sick You make me so sick)

Severed, Severed, Severed Severed, Severed
