

Chris Brown, Young Thug, Go Crazy

Is that Kaniel again?
Bring it
Bring it back
Bring it back
Bring it back
Laid up, got me thinkin' babe
Tell me if you with it, cause i am with it, babe
I haven't heard from you in a minute, babe
Just tell me what to do when i hit it, babe
Gucci and Prada
Trips to your crib in the middle of the night
I know that you miss me
Cause i put down right
Damn, babe, i can put you on a flight
You know that a nigga like me can change your life
Baby, everything you do is amazing
Ain't nobody watching
Go crazy!
I got what you need
Every body think you shy
But i know you a freak
Lil, baby
