

# Chris Brown, Young Thug, Say You Love Me

Say you love  
Said it twice  
Say you my bitch  
You can call my shots  
She roll my jush  
Let me come ride  
Say put that tech  
Right by the ice  
She keep it wet, nigga  
She pass my test, nigga  
I count my check  
I count it irrationally  
Rock louisteis  
Cause i gtot court this errk  
Look in my eyes  
I cont my bread and lover
