

# Christina Aguilera,

Song: Genie in a bottle

I feel like I've been locked up tight  
For a century of lonely nights;  
Waiting for someone  
To release me.  
You're licking your lips and blowing kisses my way,  
But that don't mean I'm gonna give it away;  
Baby, baby, baby.  
(Baby, baby, baby.)

Oh whoa...  
My body's saying let's go.  
Oh whoa...  
But my heart is saying no.

If you wanna be with me, baby, there's a price you pay.  
I'm a genie in a bottle, you gotta rub me the right way.  
If you wanna be with me, I can make your wish come true.  
You gotta make a big impression, I gotta like what you do.

I'm a genie in a bottle, baby.  
Gotta rub me the right way, honey.  
I'm a genie in a bottle, baby,  
Come, come, come and let me out.

The music's playing and the lights' down low,  
One more dance and then we're good to go;  
Waiting for someone  
Who needs me.  
My heart is beating at the speed of light,  
But that don't mean it's gotta be tonight;  
Baby, baby, baby.  
(Baby, baby, baby)

Oh whoa...  
My body's saying let's go.  
Oh whoa...  
But my heart is saying no.

If you wanna be with me, baby, there's a price you pay.  
I'm a genie in a bottle, you gotta rub me the right way.  
If you wanna be with me, I can make your wish come true.  
Come and set me free, baby, and I'll be with you.

I'm a genie in a bottle, baby.  
Gotta rub me the right way, honey.  
I'm a genie in a bottle, baby,  
Come, come, come and let me out.

Oh whoa...  
My body's saying let's go.  
Oh whoa...  
But my heart is saying no.

If you wanna be with me, baby, there's a price you pay.  
I'm a genie in a bottle, you gotta rub me the right way.  
If you wanna be with me, I can make your wish come true.  
You gotta make a big impression, I gotta like what you do.

If you wanna be with me, baby, there's a price you pay.  
I'm a genie in a bottle, you gotta rub me the right way.  
If you wanna be with me, I can make your wish come true.  
Come and set me free, baby, and I'll be with you.

I'm a genie in a bottle, baby,  
Come, come, come and let me out.
