

# Christina Aguilera, 18 A Voice Within

Young girl, don't cry  
I'll be right here when your world starts to fall, ooh  
Young girl, it's alright  
Your tears will dry, you'll soon be free to fly, ooh  
When you're safe inside your room, you tend to dream  
Of a place where nothing's harder than it seems  
No one ever wants or bothers to explain  
Of the heartache life can bring and what it means  
When there's no one else, look inside yourself  
Like your oldest friend, just trust the voice within  
Then you'll find the strength that will guide your way  
You'll learn to begin to trust the voice within, ohh  
Young girl, don't hide  
You'll never change if you just run away, ooh  
Young girl, just hold tight  
Soon you're gonna see your brighter day, ooh  
Now, in a world where innocence is quickly claimed  
It's so hard to stand your ground when you are so afraid  
No one reaches out a hand for you to hold  
When you're lost outside, look inside to your soul  
When there's no one else, look inside yourself  
Like your oldest friend, just trust the voice within  
Then you'll find the strength that will guide your way  
If you will learn to begin to trust the voice within  
Ohh yeah, ooh, yeah, ohh  
Life is a journey  
It can take you anywhere you choose to go  
As long as you're learning  
You'll find all, you'll ever need to know  
Be strong, break it, hold on, you'll make it  
Be strong, just don't forsake it because  
No one can tell you what you can't do  
No one can stop you, you know that I'm talking to you  
When there's no one else, look inside yourself  
And like your oldest friend, just trust the voice within  
Then you'll find the strength that will guide your way  
You will learn to begin to trust the voice within  
Young girl, don't cry  
I'll be right here when your world starts to fall, ooh
