Christina Aguilera, 18 A Voice Within

Young girl, don't cry I'll be right here when your world starts to fall, ooh Young girl, it's alright Your tears will dry, you'll soon be free to fly, ooh When you're safe inside your room, you tend to dream Of a place where nothing's harder than it seems No one ever wants or bothers to explain Of the heartache life can bring and what it means When there's no one else, look inside yourself Like your oldest friend, just trust the voice within Then you'll find the strength that will guide your way You'll learn to begin to trust the voice within, ohh Young girl, don't hide You'll never change if you just run away, ooh Young girl, just hold tight Soon you're gonna see your brighter day, ooh Now, in a world where innocence is quickly claimed It's so hard to stand your ground when you are so afraid No one reaches out a hand for you to hold When you're lost outside, look inside to your soul When there's no one else, look inside yourself Like your oldest friend, just trust the voice within Then you'll find the strength that will guide your way If you will learn to begin to trust the voice within Ohh yeah, ooh, yeah, ohh Life is a journey It can take you anywhere you choose to go As long as you're learning You'll find all, you'll ever need to know Be strong, break it, hold on, you'll make it Be strong, just don't forsake it because No one can tell you what you can't do No one can stop you, you know that I'm talking to you When there's no one else, look inside yourself And like your oldest friend, just trust the voice within Then you'll find the strength that will guide your way You will learn to begin to trust the voice within Young girl, don't cry I'll be right here when your world starts to fall, ooh Listen Listen Listen
