## Christina Aguilera, At Last

At last my love has come along my lonely days over and life is like a song

At last the skies above are blue well my heart was wrapped up in clover the night I looked at you I found a dream that I could speak to a dream that I could call my own I found a thrill to press my cheek to

You smile you smile oh and then the spell was cast and here we are in heaven for you are mine at last I found a dreamthat I could speak to a dream that Icould call my own I found a thrillto press my cheek to a thrill that I have never known well

a thrill that I have never known well

You smile
you smile
oh and then the spell was cast
and here we are in heaven
for you are mine at last
ooo yea
you are mine
you are mine
at last
at last
at last
at last
