

# Christina Aguilera, Christina Aguilera - The Voice

Young girl don't cry  
I'll be right here when your world starts to fall, ooh  
Young girl it's alright  
Your tears will dry, you'll soon be free to fly, ooh  
When you're safe inside your room you tend to dream  
Of a place where nothings harder than it seems  
No one ever wants or bothers to explain  
Of the heartache life can bring and what it means  
When there's no one else  
Look inside yourself  
Like your oldest friend  
Just trust the voice within  
Then you'll find the strength  
That will guide your way  
You'll learn to begin  
To trust the voice within, ohh  
Young girl don't hide  
You'll never change if you just run away, ooh, ohh  
Young girl just hold tight  
Soon you're gonna see your brighter day, ohh  
Now in a world where innocence is quickly claimed  
It's so hard to stand your ground when you're so afraid  
No one reaches out a hand for you to hold  
When you're lost outside, look inside to your soul  
When there's no one else  
Look inside yourself  
Like your oldest friend  
Just trust the voice within  
Then you'll find the strength  
That will guide your way  
If you'll learn to begin  
To trust the voice within  
Ohh yeah, ooh, yeah ohh  
Life is a journey  
It can take you anywhere you choose to go  
As long as you're learning  
You'll find all you'll ever need to know  
(Be strong)  
Break it  
(Hold on)  
You'll make it  
(Be strong)  
Just don't forsake it because  
(No one can tell you what you can't do)  
No one can stop you  
You know that I'm talking to you  
When there's no one else  
Look inside yourself  
And like your oldest friend  
Just trust the voice within  
Then you'll find the strength  
That will guide your way  
You'll learn to begin  
To trust the voice within, oh yeah  
Young girl don't cry  
I'll be right here when your world starts to fall, ohh
