Christina Aguilera, Christmas Time

Oh, hey
When I was young every Christmas Eve
I could not sleep
Trying to catch that old St. Nick
Leaving presents under my tree
And every year I'd fall asleep laying in my bed
Dreaming of a million sugarplums
Dancing in my head

Oh how much joy it is at Christmas time The spirit of giving is in our lives, oh Oh, how much joy it brings to see the ones you love This year's gonna be the best Christmas because

There'll be family and Christmas cheer Peace and goodwill to all men Everybody is home for Christmas Everybody is home Sneaking a kiss under the mistletoe I want a white Christmas so let it snow Everybody is home for Christmas Everybody is home, it's Christmas time

Friends come together as we decorate the tree This is the time of year to live in harmony, oh Angels watch over as we put the kids to sleep (It's Christmas time) And when they awake their smiling faces Make it all complete, oh

This is the holiday you're with the family We put aside our differences and let it be, oh Oh, how much fun it is to give and to receive This time of year, love is all we need oh

There'll be family and Christmas cheer Peace and goodwill to all men Everybody is home for Christmas Everybody is home Sneaking a kiss under the mistletoe I want a white Christmas so let it snow Everybody is home for Christmas Everybody is home, it's Christmas time

It's Christmas time Fa la la la la Fa la la la la la la...

Open your heart now
This is the time for us to give
The world needs love now
So live and let live, families all here
The spirit is good cheer, the sound of carolers
Ringing sweet in my ear, everything is all fine
You know why, it's Christmastime, what?

Oh how much joy it is at Christmas time The spirit of giving is in our lives Oh, oh how much joy it brings to see the one's you love This year's gonna be the best Christmas because There'll be family and Christmas cheer Peace and goodwill to all men Everybody is home for Christmas Everybody is home Sneaking a kiss under the mistletoe I want a white Christmas so let it snow Everybody is home for Christmas Everybody is home, it's Christmas time
