

# Christina Aguilera, F.U.S.S. (Interlude)

You know who you are  
This is for you  
Yeah, yeah  
Ooh, yeah, ohh  
I thought I knew who you were  
I see now you were a lesson to learn  
And all I am to you now  
Is a bridge that's been burned  
Now I was the first to believe  
I made you part of my musical dream  
And your thanks to me  
Came without an apology, yeah  
We wrote 'Loving Me 4 Me', 'Don't Walk Away'  
'Can't Hold Us Down', all part of our history  
'Don't forget Infatuation', 'I'm a Fighter'  
'Feeling Under-appreciated'  
Yeah, this song is for you to remind you  
That I moved on, sang my songs, I've got no regrets  
Hope it all was worth it  
Looks like I didn't need you  
Still got the album out, ha!
