

Christina Aguilera, Falling in Love Again (Can't Help It)

Falling in love again I never wanted to
What am I to do, I cant help it
Love has always been my game
Play it how I may
I was made that way I cant help it
Men cluster to me like moths around a flame
And if their wings burn I know Im not to blame
Falling in love again I never wanted to
What am I to do, I cant help it
Men cluster to me like moths around a flame
And if their wings burn I know Im not to blame
Love has always been my game
Play it how I may
I was made that way I cant help it
Falling in love again I never wanted to
What am I to do, I cant help it
Falling in love again I never wanted to
What am I to do, I cant help it
Love has always been my game
Play it how I may
I was made that way I cant help it
Men cluster to me like moths around a flame
And if their wings burn I know Im not to blame
Falling in love again I never wanted to
What am I to do, I cant help it
Men cluster to me like moths around a flame
And if their wings burn I know Im not to blame
Play it how I may
I was made that way I cant help it
