

# Christina Aguilera, Fighter

Well I thought I knew you, thinkin' that you were true

Geuss I, I couldn't trust called your bluff time is up

Cause I've had enough

You were there by my side, always down for the ride

But your joy ride just came down in flames cause your greed sold me out in shame

After all of the stealing and cheating you probably think that

I hold resentment for you

But uh uh, oh no, you're wrong

Cause if it wasn't for all that you tried to do, I wouldn't know

Just how capable I am to pull through

So I wanna say thank you

Cause it

Makes me feel that much stronger

Makes me work a little bit harder

It makes me feel that much wiser

So thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker

Made me that much smarter

So thanks for making me a fighter

Never saw it coming, all your backstabbing

Just so you could cash in on a good thing before I realized your game

I heard you're goin' round, playin' the victim now

But don't even begin feelin' I'm the one to blame

Cause you dug your own grave

After all of the fights and the lies cause you're wanting to haunt me

But that wount work anymore, no more.

It's over

Cause if it wasn't for all your torture

I wouldn't know how to be this way now and never back down

So I wanna say thank you

Cause it

Makes me feel that much stronger

Makes me work a little bit harder

It makes me feel that much wiser

So thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker

Made me that much smarter

So thanks for making me a fighter

How could this man I thought I knew

Turn out to be unjust so cruel

Could only see the good in you

Pretended not to know the truth

You tried to hide your lies, disguise yourself

Through living in denial

But in the end you'll see

YOU-WON'T-STOP-ME

I am a fighter and I

I ain't goin' stop  
There is no turning back  
I've had enough

Makes me feel that much stronger  
Makes me work a little bit harder  
It makes me feel that much wiser  
So thanks for making me a fighter  
Made me learn a little bit faster  
Made my skin a little bit thicker  
Made me that much smarter  
So thanks for making me a fighter
