Christina Aguilera, Genie 2.0 (Keeps Gettin' Bette

I feel like I've been locked up tight a century of lonely nights Waitin', Waitin' for someone You're licking your lips And blowin' kisses my way That don't mean I'm gonna give it away Baby.. oh baby..

If you wanna be with me Baby there's a price to pay I'm a genie in a bottle You gotta rub me the right way

The music's playin' and the lights down low one more dance And then were good to go Waitin'.. waitin' for someone

My Hormones racin' at the speed of light But that don't mean it's gotta be tonight Baby.. ooh baby..

If you wanna be with me Baby there's a price to pay I'm a genie in a bottle You gotta rub me the right way

If you wanna be with me
I can make your wish come true
You gotta make a big impression
Gotta like what you do (3x)

I'm a genie in a bottle, baby.. (2x)

Come on, come on and let me out (4x)

If you wanna be with me Baby there's a price to pay I'm a genie in a bottle You gotta rub me the right way

If you wanna be with me I can make your wish come true You gotta make a big impression Gotta like what you do

I'm a genie in a bottle, baby.. (2x)

Come on, come on and let me out (my heart is sayin') (6x)
