

# Christina Aguilera, Genie In A Bottle(Full Version)

I feel like I've  
been locked up tight  
for a century of lonely nights  
Waiting for someone  
to release me  
You're lickin' your lips  
and blowing kisses my way  
But that don't mean  
I'm gonna give it away  
Baby baby baby (baby baby baby...)  
Oooohh, 'my body's sayin' lets go'  
Oooohh, 'but my heart is sayin' no'  
If you wanna be with me  
Baby there's a price to pay  
I'm a genie in a bottle  
You gotta rub me the right way  
If you wanna be with me  
I can make your wish come true  
You gotta make a big impression  
Gotta like what you do  
I'm a genie in a bottle baby  
Gotta rub me the right way honey  
I'm a genie in a bottle baby  
Come come, come on in and let me out  
The music's playing  
and the lights are low  
Just one more dance  
and we are good to go  
Waiting for someone who needs me  
Horemones racing  
at the speed of light  
But that don't mean  
It's gotta be tonight  
Baby baby baby (baby baby baby...)  
Oooohh, 'my body's sayin' lets go'  
Oooohh, 'but my heart is sayin' no'  
If you wanna be with me  
Baby there's a price to pay  
I'm a genie in a bottle  
You gotta rub me the right way  
If you wanna be with me  
I can make your wish come true  
Just come and set me free babe  
And I'll be with you  
'I'm a genie in a bottle baby  
Gotta rub me the right way honey  
I'm a genie in a bottle baby  
Come come, come on in and let me out'
