

Christina Aguilera, Happy

“Isn't it strange
That the stars don't shine no more now since you're gone
Isn't it strange
That we kinda look back and say just what went wrong

I wanna know where we are
Should I pretend and let things be
I wanna know when what you've done
Could you come face to face with me

Isn't it strange
That you told me one thing suddenly changed your mind
Isn't it strange
That you called me for me turn away and leave me behind

Now it feels like I'm drowning
Feels like I'm drowning without you
I know the feeling
'Cause I felt this all before..

I hope you don't feel just like me
I hope you don't feel just like me
I hope you don't feel just like me
I hope you're happy

Isn't it strange
That the world seems to turn away when I try to explain
What's so strange
That two can't be as one....

Now it feels like I'm drowning
Feels like I'm drowning without you
I know the feeling
'Cause I felt this all before
And it feels like I'm dying
Feels like I'm dying now I know the truth

I hope you don't feel just like me
I hope you don't feel just like me
I hope you don't feel just like me
I hope you're happy
Don't feel just like me
I hope you don't feel just like me
I hope you don't feel just like me
I hope you're happy

Don't feel just like me
I hope you don't feel just like me
I hope you don't feel just like me
I hope you're happy
Don't feel just like me
I hope you don't feel just like me
Fuck I hope you feel much worse than me
Maybe not so happy
Not so happy, yeah, not so happy, yeah
Not so happy, welcome to my world
Not so happy, yeah, not so happy, yeah
Not so happy, welcome to my world”
