Christina Aguilera, Hold Us Down (The Real One)

So-What am I not s'pposed to have an opinion Should I keep quiet just because I'm a woman

Call me a bitch 'cause I speak what's on my mind

Guess it's easier for you to swallow if I sat and smiled

When a female fires back suddenly big talker don't know how to act

So he does what every little boy would do

Makin' up a few false rumors or two

That for sure is not a man to me, slanderin' names for popularity

It's sad you only get your fame through controversy

But now it's time for me to come and give you more to say

Chorus:

This is for my girls all around the world

Who've come across a man that don't respect your worth

Thinkin' all woman should be seen not heard

So what do we do girls, shout out loud

Lettin' 'em know we're gonna stand our ground

So lift your hands higher and wave 'em proud

Take a deep breath and say it loud

Never can, never will

Can't hold us down

Nobody can hold us down

Nobody can hold us down

Nobody can hold us down

Never can never will

So- What am I not s'pposed to say what I'm saying

Are you offended with the message I'm bringin'

Call me whatever 'cause your words don't mean a thing

Guess you ain't even a man enough to handle what I sing

If you look back in history, it's a common double standard of society

The guy gets all the glory the more he can score

While the girl can do the same and yet you call her a whore

I don't understand why it's OK

The guy can get away with it, the girl gets named

All my ladies come together and make a change

And start a new beginning for us, everybody sing

Chorus

Lil Kim:

Now, here is something I just cant understand

If the guy have three girls then hes the man

He can even give her some head or sex her off

But if a girl can do the same then shes a whore

But the tables about to turn, I bet my fame on it Cats take my ideas, they put they name on it

Its aight though, you cant hold me down

its algrit though, you cant hold the

I got to keep on movin

To my girls to their man who be tryin to mac

Do it right back to him and let that be that

You need to let him know that his game is WAC

And Lil Kim and Christina got your back

You're just a little boy

Think you're so cute, so coy

You must talk so big to make up for smaller things

You're just a little boy

All you do is annoy

You must talk so big to make up for smaller things

Chorus x2

Uh. oh oh

uh, uh, uh, uh, uh, cant hold us down
