

Christina Aguilera, Love Embrace Interlude (Loving Me For Me Interlude)

People ask if I'm in love with you
Cause I'm sitting here with your picture and smilin' to myself (I smile)
I'm kinda lost in my own thoughts of you
My heart speaks before my mind thinks though, and i blush as i say yes
What a feeling of vulnerability comin' over me
And I'm feeling weak and I can't speak (speak)
I can't think
Never thought I'd give in so willingly to a human being
With abilities to set me free (free). Let me be me
Makes me wanna say
Chorus:
Your lips, your eyes, your smile, your kiss
I must admit it's a part of me
You please me, complete me, filling me
Like a melody
Your soul, your flow, your youth, your truth is simply proof
We were ment to be
But the best quality that's hookin' me
Is that your loving me 4 me
Is that your loving me 4 me
