

# Christina Aguilera, Love Is...

They say it's a river, that circles the earth  
A beam of light shining to the edge of the universe  
It conquers all  
It changes everything  
They say it's a blessing  
They say it's a gift  
They say it's a miracle and I believe that it is  
It conquers all  
but it's a mystery  
Love breaks your heart  
Love takes no less than everything  
Love makes it hard  
And fades away so easily  
In this world we've created  
In this place that we live  
In a blink of an eye, baby, the darkness slips in  
Love lights the world, unites the lovers for eternity  
Love breaks the chain  
Love aches for everyone of us  
Love takes the tears and the pain  
And turns it in to the beauty that remains  
Look at this place  
It was paradise but now it's dying  
I'll pray for love  
I'll take my chances that it's not too late  
Love breaks your heart  
Love takes no less than everything  
Love makes it hard  
And fades away so easily  
Love breaks the chain  
Love aches for everyone of us  
Love takes the tears and the pain  
And turns it in to the beauty that remains
