

# Christina Aguilera, Mi Reflejo (English)

to you  
what you see of me  
is reality  
but you don't know  
the role that life  
makes me play  
being like this  
i can fool  
my outer world  
but never to my heart  
today i didn't recognize  
who i saw in front of me  
my reflection didn't show  
who i am in truth  
one more day  
that my heart  
has to hide  
all of my feelings  
at the end  
they'll know who i am  
what i really think  
that day will arrive, ohh oh  
today i didn't recognize  
who i saw in front of me  
that in my reflection  
i know i'm not  
i don't want to pretend  
i want to be reality  
my reflection didn't show  
who i am in truth  
and my heart wants to feel, to fly  
i'm not how i want no  
and i'm going to change  
it doesn't have to be like this  
to pretend is not to live  
the one i see in front of me  
can't take anymore  
i'm not going to hide  
the one i am anymore  
one good day, love  
will rescue me  
and that day who i am  
will be reflected
