

Christina Aguilera, Mi Reflejo (English)

to you
what you see of me
is reality
but you don't know
the role that life
makes me play
being like this
i can fool
my outer world
but never to my heart
today i didn't recognize
who i saw in front of me
my reflection didn't show
who i am in truth
one more day
that my heart
has to hide
all of my feelings
at the end
they'll know who i am
what i really think
that day will arrive, ohh oh
today i didn't recognize
who i saw in front of me
that in my reflection
i know i'm not
i don't want to pretend
i want to be reality
my reflection didn't show
who i am in truth
and my heart wants to feel, to fly
i'm not how i want no
and i'm going to change
it doesn't have to be like this
to pretend is not to live
the one i see in front of me
can't take anymore
i'm not going to hide
the one i am anymore
one good day, love
will rescue me
and that day who i am
will be reflected
