

# Christina Aguilera, Reflections

look at me  
you may think you see who I really am  
But you'll never know me  
ev'ry day it's as if I play a part  
Now I see if i wear a mask I can fool the world  
But I cannot fool my heart  
Who is that girl I see staring sraight back at me  
when will my reflection show who I am inside  
I am know in a world where i have to hide my heart  
and what I beleive in  
But somehow I will show the world what's inside my heart  
and be loved for who I am  
Who is that girl I see staring straight back at me  
why is my reflection someone I don't know  
Must I pretend that I'm someone else for all time  
When will my reflection show who I am inside  
there's a heart that must be free to fly  
That burns with the needm to know the reason why  
Why must we all conceal what we think how we feel  
Must there bne a secret me i'm forced to hide  
I won't pretendf that I'm someone else for all time  
when will my reflection show who I am inside  
When will my reflection show who I am inside
