

Christina Aguilera, The Real Thing

Baby I'm coming, better ready yourself
Be looking for me 'cause I'm the real thing

Listen
I know what you're used to
Well, tell them to step aside

'Cause you put a spell on me
And I can't help but find you
Let me remind you

Baby I'm coming better ready yourself
Be looking for me 'cause I'm the real thing
And I'm coming
Baby I'm coming, better ready yourself
Be looking for me 'cause I'm the real thing

Slow and sweet
That's how I sneak up on you
And when the smoke clears
Don't say I didn't warn you
Need I inform you?

Baby I'm coming better ready yourself
Be looking for me 'cause I'm the real thing
And I'mma coming
Baby I'm coming, better ready yourself
Be looking for me 'cause I'm the real thing

And I'm coming
If I want you
I'm gonna get you
Ain't no question
Since I met you
If I want you
(If I want you)
I'm gonna get you
(I'm gonna get you)
Ain't no question
(Ain't no question)

Baby since I met you
If I want you
I'm gonna get you
Ain't no question
Baby since I met you
If I want you
I'm gonna get you
Ain't no question

Baby since I met you
Baby, I'm coming better ready yourself
Cause I, I, I, I, I'm the real thing
And I'mma coming
Baby, I'm coming, better ready yourself
Be looking for me 'cause I'm the real thing
And I'mma coming
Baby, I'm coming, better ready yourself
Be looking for me 'cause I'm the real thing
Baby, I'm coming, better ready yourself
Be looking for me 'cause I'm the real thing
