

# Christina Aguilera, The Voice Within

Young girl, don't cry  
I'll be right here when your world starts to fall  
Young girl, it's all right  
Your tears will dry, you'll soon be free to fly  
When you're safe inside your room you tend to dream  
Of a place where nothing's harder than it seems  
No one ever wants or bothers to explain  
Of the heartache life can bring and what it means  
When there's no one else  
Look inside yourself  
Like your oldest friend  
Just trust the voice within  
Then you'll find the strength  
That will guide your way  
If you will learn to begin  
To trust the voice within  
Young girl, don't hide  
You'll never change if you just run away  
Young girl, just hold tight  
And soon you're gonna see your brighter day  
Now in a world where innocence is quickly claimed  
It's so hard to stand your ground when you're so afraid  
No one reaches out a hand for you to hold  
When you're lost outside look inside to your soul  
When there's no one else  
Look inside yourself  
Like your oldest friend  
Just trust the voice within  
Then you'll find the strength  
That will guide your way  
If you will learn to begin  
To trust the voice within  
Yeah...  
Life is a journey  
It can take you anywhere you choose to go  
As long as you're learning  
You'll find all you'll ever need to know  
You'll make it  
You'll make it  
Just don't go forsaking yourself  
No one can stop you  
You know that I'm talking to you  
When there's no one else  
Look inside yourself  
Like your oldest friend  
Just trust the voice within  
Then you'll find the strength  
That will guide your way  
If you will learn to begin  
To trust the voice within  
Young girl don't cry  
I'll be right here when your world starts to fall
