

# Christina Aguilera, What A Girl Wants (Remix)

What a girl wants  
What a girl needs  
What a girl wants  
What a girl needs

I wanna thank you  
For giving me time to breathe  
Like a rock you waited so patiently  
While I got it together  
While I figured it out (yeah)  
I only looked but I never touched  
'Cause in my heart was a picture of us  
Holding hands, making plans  
And it's lucky for me you understand

What a girl wants  
What a girl needs  
Whatever makes me happy and sets you free  
And I'm thanking you for knowin' exactly  
What a girl wants  
What a girl needs  
Whatever keeps me in your arms  
And I'm thanking you for giving it to me

What I want  
is whatcha got  
And whatcha got  
is what I want

There was a time I was blind  
I was so confused  
I'd un away just to hide it all from you  
But baby you knew me better  
Than I knew myself-yeah  
They say if you love something let it go  
And if it comes back, it's yours, that's how you know  
It's for keeps, yeah  
It's for sure  
And you're ready and willing to give me more than

What a girl wants  
What a girl needs  
Whatever makes me happy and sets you free  
And I'm thanking you for knowin' exactly  
What a girl wants  
What a girl needs  
Whatever keeps me in your arms  
And I'm thanking you for giving it to me

Oh baby  
Oh darling  
Thank you, thank yooooooooooooo-yeah yeah

What a girl wants  
What a girl needs  
Somebody sensitive, crazy, sexy, cool, like you-yeah  
What a girl wants  
What a girl needs  
Somebody who can't come and go, nobody, like you do  
What a girl wants  
What a girl needs  
You let a girl know how much you  
Care about her, I swear  
You're the one who always knew

What a girl wants  
What a girl needs  
Whatever makes me happy and sets you free  
And I'm thanking you for knowin' exactly  
What a girl wants  
What a girl needs  
Whatever keeps me in your arms  
And I'm thanking you for giving it to me

Thank you  
Thank you  
for giving me what I want  
ohh  
I turn around and stare  
whenever you're not there  
ooh yeah.
