

Christina Aguilera, What's Going On

P Diddy:
What's Going On

Tell Me

P Diddy:

People Dying

People Crying

Lord help us

Bono (From U2):

Mother, mother

There's too many of you crying

Gwen Stefani (From No Doubt):

Oh, brother, brother, brother

There's far too many of you dying

Jermaine Dupri:

That's Right

Aaron Lewis (From Staind):

You know we've got to find a way

To bring some lovin' here today

Nona Gaye:

Oh my father, father

We don't need to escalate

You see war is not the answer

Nona Gaye/Backstreet Boys:

For only love can conquer hate

Christina Aguilera:

You know we've got to find a way

To bring some lovin' here today

Britney Spears:

Barricades, can't block our way

Talk to me

So you can see

Destiny's Child/Britney Spears:

(First Chorus)

Oh what's going on

What's going on

Yeah what's going on

Ahh what's going on

Ja Rule:

What's going on in a world filled with pain

Where's the love for which we pray

What's going on

When our children can't play

Homeless can't eat

There's got to be a better way

What's going on

When we politically blind

Can't see the signs of endangered times

What's going on

Nelly Furtado:

What's goin' on in the world today.

I'd rather be dead than to turn my head away

We got this first world vision too

Comfy to lift up our hands in the air

And cry for a switch

Michael Stipe:

Father, father

P Diddy:

Father help us, come on

Michael Stipe:

Everybody thinks we're wrong
Alicia Keys:
Oh, but who are they to judge us
Together we can all be strong
P Diddy:
United we stand, United we fall
JC Chasez (From N'Sync):
Oh you know we've got to find a way
Mary J. Blige:
To bring some understanding here today
Justin Timberlake (From N'Sync):
Barricades can't block our way
Darren Hayes (From Savage Garden):
Don't punish me with brutality
N'Sync:
Baby talk to me
So you can see
(Second chorus)
Yeah, what's going on
Hey, what's going on
Somebody tell me what's going on
I'll tell you what's goin' on-uh
Nelly:
What's going on 'cross seas
Every minute a child dies by this disease
In record numbers indeed
Got mamma's crying out please
My baby hold on
My child ain't done nothing wrong
Still I want to holler
Ask them why they don't bother
Oh no, oh no
Make me turn to my father
And ask him why they all got a trapped soul
Nas:
I can feel what was bothering Marvin
Why his words forever remain
Dealing with these modern day problems
'Cause of ignorance surrounding me and my constituents
Too many infected
Too many lives diminishing
Nobody say Protestants, Jews, Blacks, and Whites, Latinos and
Asians
Pray together
Less fight
We better unite
As genocide chemical war
And the rich and the poor
Know that God delivers a cure
Eve:
It's a shame our reality is devastating
People praying for a cure
Dying while they're waiting
Ask the Lord for the comfort and strength to face it
All the kids with dreams
Won't get the chance to chase it
Makes me sad
Think about the lives they would've had
Think about the orphan babies got no moms and dads
How can we sit back and not try to make it right
We gotta come together
We gotta fight for life
Fred Durst (From Limp Bizkit):
Somebody tell me what's going on
(what's going on)

We got human beings using humans for a bomb
But everyone wanna live
Don't nobody really want to die
You feeling me right
I can't be watching people die
(die)
And watching people cry
Let me break it down for a minute
If there's enough room here for you and me
There's plenty of room for some humanity
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
