

# Christina Grimmie, It Will Rain

If you ever leave me, baby  
Leave some morphine out my door  
'Cause it would take a whole lot of medication  
To realize what we used to have,  
We don't have it anymore.

There's no religion that could save me  
No matter how long my knees are on the floor  
So keep in mind all the sacrifices I'm makin'  
To keep you by my side  
To keep you from walkin' out the door.

Cause there'll be no sunlight if I lose you, baby  
There'll be no clear skies if I lose you, baby  
Just like the clouds  
My eyes will do the same if you walk away  
Everyday it will rain

I'm never be your mother's favorite  
Your daddy can't even look me in the eye  
If I was in their shoes, I'd be doing the same thing  
Sayin' "there goes my little girl  
walkin' with that troublesome guy"

But they're just afraid of something they can't understand  
Well little darlin' watch me change their minds  
I'm try I'm try I'm try  
I'll pick up these broken pieces 'til I'm bleeding  
If that will make you mine

Cause there'll be no sunlight if I lose you, baby  
There'll be no clear skies if I lose you, baby  
Just like the clouds  
My eyes will do the same if you walk away  
Everyday it will rain

Don't just say goodbye  
Don't just say goodbye  
I'll pick up these broken pieces 'til I'm bleedin'  
If that will make it right

Because there'll be no sunlight if I lose you, baby  
There'll be no clear skies if I lose you, baby  
And just like the clouds  
My eyes will do the same if you walk away

Cause there'll be no sunlight if I lose you, baby  
There'll be no clear skies if I lose you, baby  
Just like the clouds  
My eyes will do the same if you walk away  
Everyday, it will rain.
