

Christina Perri, you mean the whole wide world to

darling you mean the whole wide world to me
darling you are sweeter than i ever dreamed
darling you make me believe in make believe
darling you mean the whole wide world to me

what do I do with this love for you
it's so much more than I ever knew
baby girl, it's bigger than the whole wide world

darling you mean the whole wide world to me
darling you are sweeter than i ever dreamed
darling you make me believe in make believe
darling you mean the whole wide world to me

what do I do with all this love for you
it's so much more, than I ever knew
whay do I do with how I fee; inside
if you ever wonder how much I love you, girl
it's bigger than the whole wide world
it's bigger than the whole wide world
