

Ciara, SET (ft. The Lab)

all I know is hustle
I put that on my set
I hustle till I pass out
treat my shoeboxes like the bank now

guess you could say that I'm the man, wow!
on that big boss level
and I put that on my set

on my set
in my, on my on my set, we set
on my set
in my, on my on my set, we set
on my set
in my, on my on my set, we set
on my set
in my, on my on my set, we set

can smell your hate from about a mile away
you had that I just
won't come down
I can see the look that's written
on your face
wonder how I still fit this crown
you hatin' but
you watchin though
I guess you knid od mad that I;m unstoppable
you county me out
the counters count me in
looks like I am putting up another win again

threat all my shoeboxes like bank now
guess you could say that I'm the man, wow!
on that big boss level
and I put that on my set

on my set
in my, on my on my set, we set
on my set
in my, on my on my set, we set
on my set

I go too hard
girl for my team
been that since back
I run tings
no cap, I won it, my name, you know
that name ain;t a damn thing change
you hatin' byt you watchin
you watchin though
I guess you knid od mad that I;m unstoppable
you county me out
the counters count me in
looks like I am putting up another win again

threat all my shoeboxes like bank now
guess you could say that I'm the man, wow!
on that big boss level
and I put that on my set
