

# Clean Bandit, Mama (feat. Ellie Goulding)

mama, hola, hola, hola  
Don't know what this is  
mama, hola, hola, hola  
what do I do now?

I see my body in a different light  
as if I woke up in a different life  
feels like I'm walking with my heart on fire  
somebody pass me the water cause I am burning

cause a little bit's turning into a lot  
there's no way I'll be turning the feeling off  
guess I am everything that I thought I was not  
tel me, tell me

mama, hola, hola, hola  
Don't know what this is  
mama, hola, hola, hola  
what do I do now?  
what do I do now?  
do with all this  
all of these new emotions  
I let them out in the open  
mama, hola, hola, hola  
what do I do now?

I've never felt so good  
I feel so soft  
and now I know myself  
I know my spots  
I didn't know that I could have these thoughts  
somebody pass me the water, cause I am burning

cause a little bit's turning into a lot  
there's no way I'll be turning the feeling off  
guess I am everything that I thought I was not  
tel me, tell me

mama, hola, hola, hola  
Don't know what this is  
mama, hola, hola, hola  
what do I do now?  
what do I do now?  
do with all this  
all of these new emotions  
I let them out in the open  
mama, hola, hola, hola  
what do I do now?
