I never meant to leave you hurting
I never meant to do the worst thing
not to you
cause every time I read your message
I wish I wasn't one of your exes

since you've been gone
been dancing on my own
there's f boys up in my zone
but they can't turn me on
cause baby you're the only one I'm coming for
I can't take no more
no more, no more

I wanna whoop whoop!
but I'm broken hearted
cry but I like to party
touch but I got nobody
here on my own
I wanna whoop whoop!
but I'm broken hearted
cry but I like to party
touch but I got nobody
so I do it solo

it solo, solo, everybody
it solo everybody
it solo, solo, everybody
it solo, solo, everybody
it solo everybody
it solo, solo, everybody

every single night I lose it
I can't even hear the music without you
ty to stop myself from calling
but I really wanna know if you're with someone new

since you've been gone
been dancing on my own
there's f boys up in my zone
but they can't turn me on
cause baby you're the only one I'm coming for
I can't take no more
no more, no more

I wanna whoop whoop!
but I'm broken hearted
cry but I like to party
touch but I got nobody
here on my own
I wanna whoop whoop!
but I'm broken hearted
cry but I like to party
touch but I got nobody
so I do it solo

it solo, solo, everybody
it solo everybody
it solo, solo, everybody

it solo, solo, everybody
it solo everybody
it solo, solo, everybody

can't do it solo!

I wanna whoop whoop!
but I'm broken hearted
cry but I like to party
touch but I got nobody
here on my own
I wanna whoop whoop!
but I'm broken hearted
cry but I like to party
touch but I got nobody
so I do it solo

it solo, solo, everybody
it solo everybody
it solo, solo, everybody
it solo, solo, everybody
it solo everybody
it solo, solo, everybody

so I do it solo
