

Clödie, GO! (Eurovision 2018 Poland)

Into the fire you watched me burn
Living in shadows I had so much to learn
Taking my chances I place my bets
No overthinking, no time to have regrets

Go for the gold and don't look back

Oh, I've been drowning in the crowd
You try and bring me down, but oh no
Oh oh no, oh oh no
There's no stopping me
Now, I've found a way to stand my ground
I'm finally ready for my solo
My solo, my solo
Gonna let you go

People around us don't understand
Nobody out there to give a helping hand
Everything changes (everything changes)
When you decide (when you decide)
To step in the spotlight and leave the past behind

Go for the gold and don't look back
No apologies

Oh, I've been drowning in the crowd
You try and bring me down, but oh no
Oh oh no, oh oh no
There's no stopping me
Now, I've found a way to stand my ground
I'm finally ready for my solo
My solo, my solo

Gonna let you go
Go!
Gonna let you go
You don't run the show...
Go!
Gonna let you go

No, you've been telling me you'll change
For all my life
Say goodbye 'cause now it's too late
It's too late...

Go! I've been drowning in the crowd
You try and bring me down, but oh no
Oh oh no, oh oh no
There's no stopping me
Now, I've found a way to stand my ground
I'm finally ready for my solo
My solo, my solo

Gonna let you go
Go!
Gonna let you go
You don't run the show...
Go!
Gonna let you go

Go!
Gonna let you go
You don't run the show...
Go!

Gonna let you go
