Cochise, White Garden

See you down again You?re walking in my garden So much love around Black cats by your side You are my secret lion Love me like a child Love Love me girl

See you down the hill You?re walking with my flowers So much blood around Take me to your place My garden is on fire Love me like a spy

Love In the white garden Love

Love
I need your love
Your love
Like an animal
Love
I need your love
My love
Like an animal
