

Coma, Just

i won't tell you mother I won't tell you sister
i won't tell you all because
i won't tell you father I won't tell you brother
i won't tell you only friend
cause I'm falling again
again and again I'm falling
again and again I'm alone
again and again I'm crawling
Just like thrown stone
you won't see me mother you won't see me sister
you won't see me all because
you won't see me father you won't see me brother
you won't see me only friend
cause I'm falling again
again and again I'm falling
again and again I'm alone
again and again I'm crawling
just like thrown stone
or you little baby now...
you won't see me all you people
and you'll never understand
it's not to be like that I feel what I feel
I just fall in love again
i just fall in love again
i just fall in love again
i just fall in love again
i just fall in love again
and again and again and again and again
and again
with you my baby
i just fall in love
i just fall in love again
with you my baby
