

Coma, Keep The Peace

I know you've got a bad feelings man
I hope it's just a matter of time
Don't lose your temper,
Keep your peace and everything's gonna be alright

Something's going on in the city
Something is wrong in the air
Don't lose your temper,
Keep your peace and everything's gonna be okay

Let's go

Try to use your imagination
Don't you ever give up the fight
Don't lose your temper,
Keep your peace and everything's gonna be alright

Maybe it's the time to get out of here
He doesn't confine the way
Don't lose your temper,
Keep your peace and everything's gonna be okay

Coma coma, think it over, sleepy boy
Coma comes before you lose your soul
Coma coma, think it over, lazy head
Coma comes before you win the chance

Coma coma, think it over, sleepy boy
Coma comes before you lose your soul
Coma coma, think it over, lazy head
Coma comes before you win the chance

Something's going on in our city
Revolutionary time
Don't lose your temper,
Keep your peace and everything's gonna be alright
