

# Coma, Rainy Song

Such a perfect day!  
I'm walking in the rain.  
What a beautiful state.  
I feel no pain,  
September's everywhere.

Such a perfect day!  
It takes my breath away.  
And everybody on the street  
Is watching me  
So jealously.

Let me be in wonder of this day.  
Let me feel no grief, no shame, no misery.  
Let me be in wonder of this day.  
Let me be...  
I see the heavy clouds in my memory,  
Something is going wrong.

Such a perfect day.  
I'm walking in the rain.  
I'm walking with my girl  
There's no despair  
I feel magnificent.

Such a perfect day.  
I don't know what to say,  
Eye of the city's watching me  
I'm so happy.  
I'm so happy.

Let me be in wonder of this day.  
Let me feel no grief, no shame, no misery.  
Let me be in wonder of this day.  
Let me be...  
I see the heavy clouds in my memory,  
Something is going wrong.

Let me be in wonder of this day.  
Let me feel no grief, no shame, no misery.  
Let me be in wonder of this day.  
Let me be...  
I see the heavy clouds in my memory,  
The drug was maybe too strong.
