

# Conor Maynard, Hate How Much I Love You (Acoustic Version)

i crashed my car the other day  
too busy thinking about your face  
even though I just saw you yesterday  
it's a hazard to my health  
I don't do nothing for myself  
you made me turn up late for work again

I am talking about  
talking about  
talking about  
talking about you  
yo all of my  
all of my  
all of my friends at the room  
they won't go back

I hate how much I love you  
and I hate much I care  
I spend all of my money and all my time  
cause I hate our love, I do  
I hate how much I love you  
I hate how much I love you  
I hate how much I love you

I emptied out my bank account  
just so that I could take you out  
to somewhere that you've never been before  
and I told my friends a thousand lies  
so I could be with you tonight  
they don't believe a word I say no more

I am talking about  
talking about  
talking about  
talking about you  
yo all of my  
all of my  
all of my friends at the room  
they won't go back

I hate how much I love you  
and I hate much I care  
I spend all of my money and all my time  
cause I hate our love, I do  
I hate how much I love you  
I hate how much I love you  
I hate how much I love you
