

# Conquest, I Wanna Be With You

Nightmare came to me  
Where's the light? I can not see  
Madness in my head  
I don't know I'm live or dead  
I can not hear this voice  
I wanna fly  
All I need's to die

[Chorus:]  
Nowhere and nowhere again  
Now I can feel only pain  
I can not live without you  
I'll die without you, it's true  
I wanna be without you

Lightning broke my mind  
I can't fly - it's too high  
When the candle fades  
I can see your face  
I feel your warm breath  
On my leaps  
All I have - these dreams

[Chorus.]  
[Solo: W. Angel]  
[Chorus.]
