

# Cotton Cat, Free

I'm free like a stardust over your head.  
I'm free like a river changing its bed.  
I'm free like a forest quarrelling with the wind.  
I'm free like the rollers over the sea.  
They tumble and fall but who is so free ?  
When I rise like a sun daylight follows me.  
I'm free, I'm free,  
I'm free like the rain coming down on me.  
I'm free like the rain coming down.  
The stardust has fallen down from your hair  
And where is the river ? It's no longer there.  
The trees have calmed down stroked by the gentle breeze.  
And you can't believe how quiet is the sea.  
Don't look for me now - you know I am free.  
When I'm gone like a cloud sunshine will follow me.  
I'm free, I'm free,  
I'm free like the rain coming down on me.  
I'm free like the rain coming down.
