

Craig David, Heartline

Been looking for you
in all the wrong places
but I don't go there no more

every night seeing
all the same faces
but I ain't seen you before

I don't need know you
know you /2x
but, girl I think
I love you /4x
I put my lifetime in your hands

girl I'm not afraid in running
away tonight though
I put my lifetime in your hands
I put my lifetime in your hands

all my friends think I'm crazy
maybe I've lost my mind but
I put my heart on the line for you
my heart on the line for you

I put my heart on the line for you
my heart on the line for you

didn't come in looking for a situation
but who would have through?
I'd breaking every rule I ever made
but guess it's a good time to start

I don't even know you /2x
but, girl I think
I love you /4x
I put my lifetime in your hands

girl I'm not afraid in running
away tonight though
I put my lifetime in your hands
I put my lifetime in your hands

all my friends think I'm crazy
maybe I've lost my mind but
I put my heart on the line for you
my heart on the line for you

I put my heart on the line for you
my heart on the line for you
